

**Dear Divine BK Family,**

Greetings of Love.

With an objective to serve nature and people by spreading vibrations of positive thoughts, a meditative walk on theme - "Angel's Walk" was organised at Sanjay Gandhi National Park, Borivali, Mumbai on 3rd Dec 2017.

A group of 55 BK Brothers and Sisters reached at National Park in early morning.

10 sisters were dressed up as an Angel. Other sisters were holding placards of positive thoughts and brothers were holding flyers having brief detail about Brahma Kumaris and courses offered by us.

Meditative walk began at 6:30 am with flag-off by **Sister BK Sangeeta** and **Bro. Rajendra Pawar (Range Forest Officer, National Park)**. Bro. Rajendra appreciated this unique & peaceful way of Brahma Kumaris to serve Nature and People.

Walk began in a form of procession which further divided into 10 groups of 5 members, with one Angel. Each group walked to different section of National park. People who approached angel was given a blessing card. Those who asked about the purpose of walk, were given flyer and explained in short. Walk ended at 9:00 am.

People around appreciated giving positive comments for the Brahma Kumaris,

Staff of National Park was very cooperative and supported the event in all the way.

Please find glimpse of event in attached photos and a short compiled video [here](#)
