Two special rows were reserved for the Brahma Kumaris, located in the third row from the front.

This was a golden opportunity to serve in Lilongwe. There is a Brahma Kumaris centre in Blantyre in Malawi but not in Lilongwe.

The sisters were very comfortably accommodated by Alpaben, her son Dhruv, and his wife Mesha at the H.B Flats in Area 3

Around 60 ladies and their children attended the first session immediately upon our arrival in Lilongwe, where they were introduced to the lesson on the soul.

Many of the attendees were working women, so about 20 of them continued with the 3-day session.
